ALLWOOD'S PURITY.—A white variety of great merit; awarded the "Daily Mail" Cup for best scented Carnation of recent origin.

ALLWOOD'S Q.Q.—Shell-pink; very vigorous constitution, noted for constancy of flowering.

BETTY LOU.—A vigorous growing variety; colour a most pleasing shade of rose-pink; flowers very large and very well produced in winter.

CANADIAN PINK.—Large flowers of blush-pink; an excellent variety.

CATTLEYA MAUVE.—A unique shade of mauve; large flowers of good form; scented.

CELIA.—A pleasing shade of light pink; very vigorous and exceptionally free-flowering; an excellent variety.

CHIEF KOKOMO.—Flowers large yellow with pink stripes; upright strong grower; splendid fancy.

CIRCE IMPROVED.—Clear heliotrope; fine large blooms.

CUPID.—One of the best in pale salmon-pinks; of splendid growth and very free-flowering.

DITCHLING.—Flowers exceptionally large and very full; colour cerise; valuable for market or exhibition.

E. H. WILSON.—Large bright scarlet of outstanding merit.

FAIRY QUEEN.—Very large, light salmon-pink; free flowering; the best pink of recent introduction.

FREDA.—Very large flowers of light pink; free flowering.

IRENE.—Rich ruby-cerise; magnificent blooms carried well; one of the newest and extra good.

LADDIE.—Exquisite pearly-salmon pink flowers of gigantic size surrounded by a row of enormous petals of wonderful texture.

LUCKY STRIKE.—Clear yellow sometimes with faint markings of pink.

MAINE SUNSHINE.—Pale yellow and the constitution is good for a yellow variety.

MOGGY.—Flowers large; scented; colour salmon heavily speckled and striped red; very free flowering; good.

MRS. MAURICE GRANT.—Mulberry suffused terracotta; good.

MRS. HAMILTON FELLOWS.—Purplish-rose, a colour difficult to describe but at once commanding; enormous flowers carried on stiff stems.

RAPTURE.—Delicate salmon-rose flowers of large size; one of the best.

ROBERT ALLWOOD.—Very large flowers of bright scarlet; a variety of undoubted merit; exhibition or market.

ROSE FAIRY QUEEN.—A rose-pink counterpart of that excellent variety, Fairy Queen.

ROSIE.—The flowers are large and full, of a medium shade of rose, sweetly scented; calyx does not split; stems strong and straight.

SCARLET MONARCH.—Flowers fairly large; colour intense scarlet of startling brightness; good at all seasons.

WE ARE PREMIER GROWERS OF BEDDING PLANTS.

Carnations (continued)

- SHOT SILK.**—Indian chestnut flaked red. A very attractive colour.
SPECTRUM SUPREME.—An improved Spectrum, deeper in colour than its parent; the scarlet of the future; exhibition or market.
SUNNY.—Flowers large, round petalled, of very symmetrical shape; colour orange, with a few rose-pink splashes; the best orange fancy to date.
THELMA.—Large, slightly fringed flowers, colour salmon-rose and freely scented; plants develop quickly but do not make surplus growth; every shoot produces a bud.
TOPSY.—Flowers of large size; splendid form and a plant of vigorous growth; excellent variety; deep crimson in colour.
WHITE PEARL.—The largest pure white carnation in commerce; strongly scented.
NOTE.—Would Customers please select additional varieties, or allow us to select varieties of equal merit as substitutes.
